# Movie Premiere & Question Time

**DRESS TO IMPRESS!**

**Tuesday 29th November**  
**Edinburgh Omni Vue Cinema, 11am-3pm**

**Red Carpet movie premiere of 'One Voice at a Time':** We've made a film we hope will help change the world! We want to inspire other young people to speak out and encourage everyone to stand together against domestic abuse. Join us for the first ever showing!

**Help shape the future:** Have YOUR say! Come and sit face to face with people in power: Nicola Sturgeon MSP, Deputy First Minister for Scotland; Councillor Harry McGuigan, Scottish Local Authorities' (CoSLA) Spokesperson for Community Well-being and Safety; Tam Baillie, Scotland's Commissioner for Children and Young People. Ask them anything you want! It's your country, it's your future, so let's get some answers! Our fantastic panel will prioritise questions from young people.

**Young people - come along, have a fun day out in the capital!** VAV needs YOU! Get some popcorn and watch our movie. We'd love it if you could come up with a question to ask the people in power. This event is by young people for young people. WE can't do it without YOU!

**Adult allies -** help us to reach out to all young people in Scotland. Invite as many young people as possible. Join us and find out more about our film so you too can use it to help shape the future.
